

NWA EXECUTIVE COMMITTEE LETTER OF SUPPORT FOR REPUDIATION OF THE DOCTRINE OF DISCOVERY RESOLUTION.

Whereas, the Executive Committee of the Northwest Wisconsin Association of the United Church of Christ represents the Association when the Association is not in session; and

Whereas, the Hocak United Church of Christ is a Church in Full Standing of the Northwest Wisconsin Association; and

Whereas, the Executive Committee has considered the call of the Hocak United Church of Christ upon the Wisconsin Conference of the United Church of Christ to recognize and affirm the adoption of a resolution to repudiate the Doctrine of Discovery as detailed below.

THEREFORE BE IT RESOLVED that the Executive Committee of the Northwest Wisconsin Association on behalf of the Northwest Wisconsin Association stands in full support of the below stated resolution.

INTRODUCTION

In June of 2013, the 29th General Synod, supported and passed the resolution to repudiate the Doctrine of Discovery. This Doctrine authorized the genocide of Native Peoples and the theft of Native Lands. The Indigenous Peoples were told that God has declared that the Pope rules all people, regardless of their law, sect or belief. This includes Christians, Moors, Jews, Gentiles, or any other sect. The Native Americans were to come forward of their own free will to convert to Catholicism or ... with the help of God we shall use force against you, declaring war upon you from all sides and with all possible means, and we shall bind you to the yoke of the Church and Their Highnesses; we shall enslave your persons, wives, and sons, sell you or dispose of you as the King sees fit; we shall seize your possessions and harm you as much as we can as disobedient and resisting vassals.

Furthermore, Natives who resist are to be held guilty of all resulting deaths and injuries from the "just" war waged against them. This was focused to all Indigenous Peoples all over the world.

The Hocak United Church of Christ (Hocak UCC) being the only Native American UCC Church in Wisconsin Conference calls upon the Wisconsin Conference of United Church of Christ to recognize and affirm the adoption of said resolution to repudiate the Doctrine of Discovery.

True Christianity came to the Hocak people prior to the building of the Church in 1878. The deliberate response of true faithfulness, we learn in the Gospels, is not violent retribution and revenge: "God has clearly proclaimed to humankind that the killing must stop," Megan McKenna writes, "and any rituals that involve death, violence, humiliation, or the diminishment of human beings must be discarded forever". Anything other than this - is heresy, blasphemy and treasonous towards/against the Gospel.

As stated in 1 Cor. 9: 19-23 – when I come to the Jews I act as a Jew, as to win over as many of them to the true following of Jesus Christ, and when I come to those under the Law I act as one under the Law, as to win as many over for our Lord Jesus Christ. So ... now when I come to the New World, I act as one of the Natives as to win over as many to our Lord and Savior Jesus Christ. The United States in adoption

of the Doctrine of Discovery in 1823 as Indian Policy for this country does not exemplify true Christianity and because of the genocide, atrocities and offenses committed against Native Americans and its ongoing transgressions ... we, the Hockuk UCC bring forth this resolution to this Conference and help educate and implement this commitment of repudiation the Doctrine of Discovery.

THE TEXT OF THE MOTION

Whereas, Roman Catholic Church promulgated several Papal Bulls (Bulls) by Pope Nicolas V in 1452 and revised in 1493 after the discovery of America by Pope Alexander VI which authorized and justified the destruction, killing and appropriating lands of Indigenous Peoples. These Papal Bulls formulated the theological base for what became the tragic genocide of American Indians; and

Whereas, Protestant churches beginning as early as 1609 when English clergy in Jamestown developed a coherent narrative that brought together a legal rationalization for the invading America, debasing American Indians and made a Christian commitment to convert Indians – a commitment which they never delivered; and

Whereas, the Supreme Court in 1823 in Johnson v. McIntosh incorporated into American law the Doctrine of Discovery by claiming the United States inherited the American conquest from the English; and

Whereas, 1845 was the first time the phrase Manifest Destiny was used to affirm the United States of America was called to Providence to dominate the continent for the free development of America's inevitable growth. Manifest Destiny grew out of, and was based on, the Doctrine of Discovery; and

Whereas, the United Nations adopted a resolution entitled United Nations Declaration on the Rights of Indigenous Peoples in 2007 requesting Nations to affirm, it took the United States four years before it signed it; and

Whereas, the World Council of Churches, called upon its member churches to adopt its Statement on the - Doctrine of Discovery – and its impact on Indigenous Peoples. The Episcopal Church and the Council of Bishops of the United Methodist Church have done so. The United Church of Christ denomination has done so in the 29th General Synod in 2013; and

Whereas, the Hockuk United Church of Christ established in 1878 noting in deep concern, the generational and historical trauma caused by this Doctrine is still ongoing and continues to have a negative impact on Native American lives; and

Whereas, not only has the Doctrine never been repudiated, court decisions against Indians have been made within the past several decades based on the Doctrine.

THEREFORE BE IT RESOLVED that the 2018 Wisconsin Annual Conference of the United Church of Christ upholds and reaffirms in repudiating the Doctrine of Discovery.

BE IT FURTHER RESOLVED that the Wisconsin Conference of the United Church of Christ declares and confesses that the doctrine has been and continues to be a shameful part of United States and our Church's history.

BE IT FURTHER RESOLVED that the Wisconsin Conference of the United Church of Christ joins with its ecumenical partners to explore ways to compensate American Indians, Alaskan Natives, and Hawaiian Natives for the lands and resources that were stolen and are still being stolen and which are now the United States of America.

BE IT FURTHER RESOLVED that the Wisconsin Conference of the United Church of Christ requests that awareness and acknowledgement be made available through educational materials for the Churches, provided by the Justice and Witness Ministries (JWM) and the Council of American Indian Ministry. (CAIM)

BE IT FURTHER RESOLVED that the Wisconsin Conference of the United Church of Christ encourages the churches to explore educational materials, such as those developed by Justice and Witness Ministries (JWM) and the Council of American Ministry (CAIM), and to pursue actions that may arise from their studies.
