

Lay Academy Inclement Weather Policy

In the event of inclement weather, Lay Academy sessions are only cancelled when the instructors are unable to make it to DeForest. Session participants should use their best judgement about their personal travel on Friday and Saturday.

A weather-related absence will not count against you when it comes to receiving a certificate as long as you get notes from the session and complete a reflection assignment based on the notes and your reading. If the weather clears and participants are able to come just for Saturday, that will count for full attendance for that session.

If you are not coming to the session, you must also email Nola and let her know so that she can adjust catering and hotel rooms, and also so we know not to expect you. If you have said on Facebook or in Moodle that you aren't coming, you still need to email Nola. Thank you.
