Wisconsin Council for Health and Human Service Ministries

The churches of the Wisconsin Conference have along tradition of supporting human service ministries. It dates way back to 1878 when we joined together to start the Winnebago Indian Mission.

Since that time, our churches have helped to establish and maintain many institutions. They include children's homes, family services, a hospital and facilities for the aging. These agencies make up the Wisconsin Council of Health and Human Service Ministries. They minister on behalf of our local congregations.

With your ongoing support via United Conference Appeal, memorials and planned gifts, individual contributions, volunteering of your time and with your continued prayers, these ministries will continue to provide the high quality of services that all individuals deserve.

"Inasmuch as you have done it unto one of these... you have done it unto me."

Speakers Available

The Council for Health and Human Services can provide informative and inspirational speakers for worship services, adult education classes, men's and women's groups, consultations or retreats. Please feel free to contact our individual agencies directly with inquiries.
