

Wisconsin Child Sex Trafficking and Exploitation Indicator and Response Guide

The Wisconsin Child Sex Trafficking and Exploitation Indicator and Response Guide should be consulted if you have concerns that a child or youth you have contact with is being sexually trafficked or exploited. Review the indicators in this guide and follow the directions for the appropriate response. This indicator and response guide also alerts the reader to indicators or potential red flags that should continue to be monitored.

<u>Mandated Reporters</u> are required to report suspected abuse or neglect of any child, including those that you may learn about through discussions with the child of concern (s.48.981(2) Wis. Stat.).

Sex trafficking and sexual exploitation are both forms of child abuse, even if the perpetrator is unrelated to the child. Although sex trafficking and sexual exploitation share similar elements, they have distinct differences, as noted below:

<u>Sex Trafficking of a Child</u> involves another person benefitting from forcing, defrauding, or coercing a child into a commercial sex act with another person (s.948.051 Wis. Stat.).

<u>Sexual Exploitation of a Child</u> involves forcing, defrauding, or coercing a child to engage in a sexually explicit way for the purposes of recording, displaying, and/or distributing the recording (<u>s.948.05 Wis.</u> Stat.).

The Wisconsin Sex Trafficking and Exploitation Indicator and Response Guide was adapted from the 2015 Minnesota Safe Harbor Sexual Exploitation/Trafficking Flowchart Questions about this tool can be sent to DCFAHT@wisconsin.gov

To report suspected sex trafficking of a child or sexual exploitation of a child, please contact the appropriate County or Tribe.
