

Changing Lives Grant Application

Southeast Association Wisconsin Conference UCC

God is still speaking,
**UNITED CHURCH
OF CHRIST**

The Mission Team of the Southeast Association Wisconsin Conference is offering grants of up to \$250 for **projects related to the UCC Three Great Loves campaign (Love of Neighbor, Love of Children, Love of Creation)**. This could include mission outreach programs or projects connected to a congregation's local community; congregations engaged in conversations about race and privilege, including the Doctrine of Discovery; and/or congregations engaged in creation care. This grant can be either for a current program/project or a startup program/project. Applications are accepted on an ongoing basis and are reviewed at our bi-monthly committee meetings. Congregations may apply for more than one grant. Grantees are encouraged to submit an article to the SEA Currents describing each program for which they receive a grant.

Complete the application online at <https://www.surveymonkey.com/r/Y5J85LG> or email completed applications to **sewaucc.missionteam@gmail.com** or mail to Ruth Hansen, chairperson, SEWA Mission Team, 698 Cardiff Drive, Hartland WI 53029-2547.

If you are not sure whether your program qualifies, we encourage you to apply.

1. Amount Requested _____

2. Total Project Budget _____

3. Contact Information

Congregation Name _____

Church Address _____

Mailing Address (if different) _____

Application Contact Name _____

Contact's Phone & Email _____

Pastor's Name _____

Pastor's Phone & Email _____

Project or Program Name _____

What is the project/program, and how does the mission outreach connect to the congregation's local community? (target population and/or outcome, your plan to reach outcome, **how your funds will be used**).

What is your timetable for completing your project/program or is it ongoing? If your program is time sensitive, by what date do you need your funds?

What impact do you hope your project/program will have for your church/ministry setting?
