“Ordination is the rite whereby the United Church of Christ, through an Association in cooperation with the person and a local church of the United Church of Christ, recognizes and authorizes that member who God has called to ordained ministry, and sets that person apart by prayer and the laying on of hands. By this rite ordained ministerial standing and status as an Ordained Ministerial Partner is conferred and authorization given to perform the duties and exercise the prerogatives of ordained ministry in the United Church of Christ.” - (Constitutional Provision #22 of the United Church of Christ Manual on Ministry)
